Which aspect of your role  
you like the most?

Working with my team. Teamwork is a huge factor in hospitality industries. Teamwork brings a sense of security, trust, and loyalty to employees as well as the employers. Without teamwork, morale can be lowered. If morale is lowered, then productivity could be lowered as well. Hospitality industries, who have embraced the concept, have reported increased performance in work production, problem solving and has stimulated new growth.

What advice would you give  
someone who is starting his  
career?

Success is no accident.  
It is hard work, perseverance, learning,  
studying, sacrifice and most of all, love of  
what you are doing or learning to do.  
Good luck!
