

Hospitality & Events Academy

The Academy, developed by Pandora Management Solutions over 20 years, is a comprehensive programme for Hospitality & Events professionals, managers, analysts and trainers.

The programme's curriculum covers essential learnings from the most strategic to the very tactical on how to run a successful and efficient operation in the current context.

Organised by functional role, The Academy enables Hospitality & Events professionals in Management, Finance & Accounting, Sales & Marketing, Human Resources, IT, Operations, Maintenance and Food & Beverage specialists.

Given the unprecedented challenge the industry faces as operations resume, there has never been a more pressing time to engage with industry experts. Every aspect of Hospitality & Events management will need to be reconsidered for the 'New Normal.'

The modules are designed for participants to develop basic knowledge in various Hospitality & Events disciplines via e-learning modules, project-based exercises, webinars, classroom-based sessions and in-person training and consulting as appropriate.

Participants build competencies by role in the 'New Normal' through training, team simulations, site visits, virtual tours, peer-shadowing and internships. Through the Academy, participants will learn from industry experts and gain access to Thought-Leadership.

Mapped to specific Hospitality and Events roles, The Academy provides any industry professional the essential knowledge and skills required to excel. Running a successful operation in the current environment is only achieved by a highly trained and knowledgeable staff at all levels in the organisation.

Accredited Istituto Europeo Terzo Millennio, The Academy can serve a new enterprise or an existing operation by training staff in industry standards, developing functional teams in tactical skills by role and enabling managers in strategic and practical knowledge.
